appointment only

## Course Overview

This individualized LSAT test prep course will be a comprehensive review of all three sections of the LSAT: Logical Reasoning; Analytical Reasoning; and Reading Comprehension. To review each section, we will first learn strategies and test cracks for each question type until the student achieves mastery level. Upon mastery, the student will engage in rigorous pacing drills and apply test anxiety-relief techniques to ensure an optimal test-day performance.

## Required Text

10 Actual, Official LSAT PrepTests Vol V, LSAC

10 Actual, Official LSAT PrepTests Vol VI, LSAC

## Homework Policy

Students are expected to complete all homework assignments and check answers to completed questions. Any questions that a student has difficulty answering will be discussed at the beginning of the next tutoring session. Students are encouraged to study at least 4 days a week, in 45 minutes – 1-hour increments.
